El amor paternal <https://pastoral.center/el-amor-paternal-es>

## Resources to communicate from Deborah Garcia, PCL at Madonna del Sasso

So I'm going to list some of the resources we use in the ministry.

Some of the apps we use offer a platform and are private communities for the purpose of communication:

We use the following:

The Band app has been valuable, as it provides a Facebook-like community that is private;

 Band app: <https://band.us/en>

The Zoom app works just like the Ring Meeting app, however with Zoom Pro you can break off into different conference rooms for small group discussions, among other things, it's an excellent collaboration tool.

 Zoom app: <https://zoom.us/>

The HouseParty app we are currently testing for youth group. It has lots of fun games and interactive tools within:

HouseParty app:

 <https://houseparty.com/>

The Remind app is a great tool for short messaging.

Remind app:

 <https://www.remind.com/>

The Slack app is awesome for collaboration and workflow.

Slack app:

 <https://slack.com/r/02tltzm1-02tpl6m9>

This is a great chat group app with a broadcasting channel:

 Telegram: <https://telegram.org/>

Google Classroom is excellent as well.

If you have a non-profit tax number, Google Suite is free and Google Classroom and most Google apps are free:

 <https://edu.google.com/products/classroom/>
